Data privacy statement

We take the protection of your personal data very seriously and handle your data confidentially. This is done according to data privacy laws and this data privacy statement. Pages on our website may contain links to pages from other vendors who are not subject to this data privacy statement.

Collection and processing of personal data

ALGE-TIMING GMBH stores, processes and transfers personal data collected from customers for business purposes and for actions related to contracts between the customer and ALGE-TIMING GMBH.

Your data can be collected when filling out the login information or during your conversations with a ALGE-TIMING GMBH employee. Registration affirms your consent for processing and transferring your data as defined in this data privacy statement.

We also use external service providers to process your data. They are only permitted to process and save data from ALGE-TIMING GMBH customers according to the terms defined by ALGE-TIMING GMBH.

Cookies

When you view our Web sites, we may store some data on your computer in the form of a "cookie" to automatically recognize your PC next time you visit. Cookies can help us in many ways, for example, by allowing us to tailor a Web site to better match your interests or to store your password to save you having to re-enter it each time. If you do not wish to receive cookies, please configure your Internet browser to erase all cookies from your computer's hard drive, block all cookies or to receive a warning before a cookie is stored.

Server-Log-Files

The provider of the pages automatically collects and stores information in so-called server log files, which your browser automatically transmits to us. These are:

- browser type / browser version
- Operating system used
- referrer URL
- Host name of the accessing computer
- Time of the server request

These data can not be assigned to specific persons. A merge of this data with other data sources will not be done. We reserve the right to check this data retrospectively, if we become aware of specific indications for illegal use.

Contact via E-Mail

If you send us inquiries by e-mail, your details, including the contact details provided by you, will be stored with us for the purpose of processing the request and in case of follow-up questions. If necessary, we will forward this information to one of our area representatives. If you do not agree, please let us know in the email. We will never sell your personal information to third parties.

Newsletter data

If you would like to receive the newsletter offered on the website, we need an e-mail address from you, as well as information that allows us to verify that you are the owner of the specified e-mail address and that you agree to receive the newsletter. We use this data exclusively for the delivery of the requested information and do not pass it on to third parties.

You may revoke your consent to the storage of data, the e-mail address and its use for sending the newsletter at any time, for example via the unsubscribe link in the newsletter.

Google Analytics

This website uses Google Analytics, a web analysis service from Google Inc. ("Google"). Google Analytics uses "Cookies", text files that are saved on your computer and enable analysis of how you use the website. The information generated by the cookies regarding your use of this website are generally transferred to a Google server in the USA and stored there. If IP anonymization is used for this website, your IP address will be shortened by Google if you are in European Union member states or in other states within the European economic area that are taking part in the agreement. On rare occasions, the full IP address is transferred to a Google server in the USA and shortened there. On request of the website operator, Google will use this information to evaluate your use of our website so that reports about web activities can be generated and to provide other services related to website and Internet use to the website operator. The IP address collected from your browser by Google Analytics will not be merged with other Google data. You can prevent cookies from being stored using a setting in your browser, but doing so will limit access to some functions normally available on this website. You can also prevent Google from collecting the data generated by the cookie and processing data related to your use of the website (including your IP address) by downloading and installing a browser plug-in that can be found using the following link: tools.google.com/dlpage/gaoptout.

Privacy Policy for the use of Google Analytics Remarketing

This website uses Google retargeting technologies. Provider is the Google Inc. 1600 Amphitheater Parkway Mountain View, CA 94043, USA. This makes it possible to specifically target visitors to our websites with personalized, interest-based advertising. Advertising is displayed using a cookie-based analysis of past usage and surfing behavior. According to our knowledge, no personal data will be stored. For this purpose, a cookie is stored in order to collect anonymized data on the interests of the users and thus to adapt advertising individually to this information. These cookies are small text files that are stored on your computer or mobile device.

You may permanently object to the use of cookies for retargeting by disabling interest-based advertising through Google here: www.google.com/settings/ads/onweb/

For more information and privacy policy, please refer to the Google Privacy Policy www.google.com/policies/technologies/ads/

Use and disclosure of personal data

ALGE-TIMING GMBH may be required to disclose your data and related information by judicial or regulatory order. Likewise, we reserve the right to use your data to assert or defend against legal claims. In accordance with applicable law, we also reserve the occasion-related storage and disclosure of personal and other data to detect and combat illegal activities, fraud attempts or violations of the terms of use of ALGE-TIMING GMBH.

Links to other Websites

The ALGE-TIMING GMBH websites contain links to external websites. ALGE-TIMING GMBH cannot take responsibility for the privacy policies or the content of these external websites. If you find data protection infringing or otherwise illegal contents on the linked websites, we ask for appropriate notice to office@alge-timing.com, so that we can remove the relevant link if necessary.

Information, cancellation, blocking

At any time you have the right to free information about your stored personal data, their origin and recipient and the purpose of the data processing and a right to correct, block or delete this data. For further information on personal data you can contact us at any time at the address given in the imprint.

Changes

Our privacy policy may change. The current version will be published here.
